

# Perimeter Edge Metal

## Description:

EverGuard® M-Weld™ Snap-On Coping protects your building's parapet conditions while also complementing their natural aesthetics. We offer a variety of color options, including standard and custom, as well as a variety of finish options, including anodized. Easy-to-install EverGuard® M-Weld™ Snap-On Coping and Snap-On Coping Plus give you design flexibility and great value.

## Features and Benefits:

- Available in many versions, making it a versatile flat, tapered, and existing slope solution to address a variety of roof conditions.
- Factory-fabricated miters provide a clean, aesthetically pleasing appearance and can help save time by eliminating the need for field fabrication.

- 12" M-Weld™ Snap-on Coping 20 ga. or M-Weld™ Snap-on Coping Plus 16 ga. spring clip provides for positive attachment, helping to ensure stability for the system. Splice plates and fasteners are included.
- Express, standard, and premium colors and finishes are available to meet your job requirements and include a 30-year limited Kynar 500® finish warranty on coil-coated standard colors. For limited warranty details, please visit [gaf.com](http://gaf.com).
- Custom colors are also available. A 10-year limited warranty is included for post-painted Kynar®-coated aluminum applications unless otherwise stated. A 20-year limited warranty may be available upon request for certain colors.\*

\* Restrictions may apply; consult a sales representative for specific information.

## Codes/Testing Compliance:

- Tested per ANSI/SPRI/FM 4435/ES-1 Standard to comply with the International Building Code.

## Express Colors<sup>1</sup> available for quick shipping<sup>2</sup>

For standard and premium colors, please refer to the GAF color chart, available at [gaf.com/PerimeterEdgeMetal](http://gaf.com/PerimeterEdgeMetal). Custom colors are also available.

<sup>1</sup> Express Colors available in shorter lead times for 24 ga., .040", and .050" only. Standard lead times, which may be longer, apply for 22 ga. and .063".

<sup>2</sup> It is difficult to reproduce the color clarity of these products. Before selecting your color, please contact your local GAF territory manager to request a paint chip for accurate color representation.
