

EverGuard® and EverGuard® Extreme TPO

# GAF SquareTube Wrap

## Description:

Increase efficiency when covering square or rectangular pipes with factory-built EverGuard® and EverGuard® Extreme TPO Square Tube Wraps. These single-ply roofing system preformed accessories provide roofing contractors with an effective, easy-to-install detail. GAF manufactures these and other accessories from its proven, durable EverGuard® and EverGuard® Extreme TPO single-ply reinforced membrane. GAF TPO accessories can help you reduce installation costs, risk of leaks, and callbacks, while helping you create a uniform look.

## Application:

Preformed accessories may be installed on mechanically attached, fully adhered, or self-adhered EverGuard® and EverGuard® Extreme TPO roofing systems, using conventional techniques. See published application and specifications manual for detailed instructions.

## Product Information:

EverGuard® and EverGuard® Extreme TPO Square Tube Wraps are constructed from EverGuard® or EverGuard® Extreme reinforced 45-mil membrane. Three standard sizes are available and you can contact your representative for custom sizes. Wraps include stainless steel clamping rings for the top of the penetration.

| Specifications   |                           |                    |                |
