TPO Coated Accessories

Description

EverGuard[®] TPO single-ply roofing system coated metal drain accessory provides roofing contractors an easy-to-install, factory-built detail. EverGuard[®] TPO coated drains are constructed using GAF's proven, durable EverGuard[®] TPO coated onto a durable drain unit.

- **Cost effective...** Reduces installed costs by up to 25%
- **Improved Reliability...** Factory-built accessories reduce risk of leaks and callbacks
- **Improved Aesthetics...** Uniform look

Application

EverGuard[®] TPO coated accessories are designed for use with GAF EverGuard[®] TPO single-ply membranes and EverGuard[®] Freedom[™] TPO self-adhering membranes. The factory-coated accessories may be installed on mechanically attached, fully adhered, or self-adhered EverGuard[®] TPO roofing systems. See current application and specifications manual for detailed instructions.

Product Information

EverGuard[®] TPO coated drains are constructed from aluminum and coated with a weldable TPO compound. TPO membrane can be heat welded directly to the drain body, resulting in a strong, secure installation. Each drain is fitted with a BlueSeal[®] mechanical drain seal for a secure, tight seal into the building drain system.

TPO Coated Metal Drain
